In support of their request, Global Connection and BellSouth state the following:

1. Global Connection and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Global Connection. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on May 10, 2004.

2. The parties have recently negotiated an Amendment to the Agreement which provides for Local Number Portability recovery. A copy of the Amendment is attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Global Connection and BellSouth are submitting their Amendment to the TRA for its consideration and approval. 4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Global Connection within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Global Connection and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Global Connection and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 17th day of Sept, 2004.

Respectfully submitted,
